

Campus Kid Water Field Trips Expectations & Reminders

Pool & Beach Trips

Sunscreen:

- Teachers will apply sunscreen to all children before leaving for the trip.
(LOG ON BW under Health Check)
- Teachers will reapply sunscreen every 2 hours **Some parents may request sooner**
- Teachers will log reapplications of sunscreen on the "Sunscreen Record" Chart on trips.
- Please notify parents when sunscreen is getting low- not the day it runs out.

Bathroom:

- Staff need to tell another staff member from their school when they are going to use the washroom.
- Staff members need to go with the children and stand outside of the bathroom when using the bathroom at the park/ pool.

Pool:

Teachers will space themselves out around the pool area. Each teacher will take a designated spot.

Teachers may rotate spots as needed *See pic below

Teachers will monitor and supervise the children in their area.

All staff and children will follow pool guidelines and do a headcount when the lifeguards whistle.

When lifeguards whistle for headcounts, all campers will return to their designated area- staff will count and reapply sunscreen.

The campers will be able to take a swim test with a lifeguard. Here they will have the chance to earn a colored wrist band.

- RED- NON SWIMMERS- Will only be allowed in shallow areas.
- GREEN or No wristband- ANY - ALL
- BLUE- 5 ft area and Slides
-

Beach:

- Teachers will space themselves out around the designated swimming area. Each teacher will take a designated spot.
- Teachers may rotate spots as needed *See pic below
- Teachers will monitor and supervise the children in their area.
- All PEPPERMINT campers will have a red wristband. ALL teachers can support, monitor, and supervise any PEPPERMINT camper.
- Every 30 minutes- ALL Peppermint campers will come out of the water and do a head count.
-
